INTRODUCTION

The Impact We Wish to Deliver

- Integration, and increased retention of underprivileged students from transitional communities, into the public education system
- Improved health indices (body weight, height, BMI) through meal supplements and regular health check-ups
- Overall personality development through specialized learning programs

What We Do

- **Classroom teaching** in foundational subjects such as English, Hindi, Maths, EVS and Computer science – to reinforce concepts and help students “catch up” to their peers.
- **Nutritional support** with 1 meal a day with minimum of 500 calories, 8 grams of protein, and other vital nutrients.
- **Health check-ups** including anemia testing, immunization support, and eye check ups

AFTER SCHOOL CLUBS

Holistic development of the child:

- Foundational learning
- Promoting health & immunisation
- Providing nutritional support
- Extracurricular activities
- Safe space for social interaction

Our 'After-School Club' (ASC) program in Gurugram, Haryana, aims to supplement the functioning of the mainstream public education system for underprivileged, transitional communities, by focusing on the following activities.

We work towards helping 'out of school children in developing the basic skills needed for them to be ready to take on formal learning in schools.

We also provide after-school support in the form of doubt clearance and reinforcement of key concepts for children who are already enrolled in government schools.

We essentially incentivise participation and involvement in learning through parent engagement and incentives like the provision of school supplies and learning aids, a meal supplement per day, as well as regular free health check-ups for the holistic development of our children in the urban slums of Badshahpur, Gurugram.

**5 After
School Clubs
859 children**

KEY ACTIVITIES

01

Regular Classes

Regular classes continued through the quarter, after the month long summer club. There was lots to learn, and catch up on!

02

Extra-curricular activities

Sundays continued to be fun-days, with four hours fun and frolic: hobby classes, outdoor games, singing, dancing, mehndi, sewing and cooking

03

Health Check

Monthly recording of height, weight.. On schedule supplements, and help with healthcare navigation.

04

New Developments

This was a busy three months: A new Club 6, the daycare program became more streamlined, the Special Abilities program was revamped, and ASC4 got a new building!!

ACADEMICS

Children attending the Vision Unlimited After-School Club demonstrate consistent academic progress. Structured homework support, individualized guidance, and engaging learning activities have significantly strengthened their understanding and performance in core subjects. Teachers have observed noticeable improvements in students' confidence, active classroom participation, and overall enthusiasm for learning.

NUTRITION

Feeding India now provides our children with nutritious hot meals on a daily basis. This collaboration ensures that students are well-nourished, supporting their overall health and well-being while enhancing their ability to learn and succeed academically. Together, we are creating a healthier, more focused, and supportive learning environment.

EXERCISE AND PLAY

Exercise and play play a vital role in keeping children healthy, happy, and active. At the Vision Unlimited After-School Club, we promote enjoyable physical activities that build strength, teamwork, and self-confidence. Through games and movement, children enhance their focus, develop new skills, and grow stronger both physically and mentally. Outdoor play sessions provide opportunities for recreation and social interaction, while morning exercise continues to remain an integral part of our daily curriculum.

GIRLS CIRCLE

The girls come together to openly discuss issues related to adolescence, menstrual health, and other challenges they may face. Teachers serve as facilitators for these discussions, guiding the dialogue, helping identify practical solutions, and supporting the girls in navigating appropriate healthcare services.

CRAFT WORKSHOPS

The clay modeling and painting workshops at Vision Unlimited provided children with hands-on opportunities to express creativity, build self-confidence, and develop essential life skills. The theatre sessions encourage teamwork, communication, and self-expression, while clay art activities stimulated imagination and artistic exploration. Together, these engaging workshops empowered children through joyful and meaningful skill-building experiences.

OUT DOOR DAYS

The outdoor days and free play at Vision Unlimited offered children an engaging platform to express themselves, build confidence, and develop essential life skills. Under the guidance of teachers, these sessions strengthened communication, creativity, and teamwork, while encouraging children to overcome stage fear and express their ideas freely. Through interactive activities and performances, the workshops fostered self-confidence, emotional expression, and a strong sense of collaboration

DANCE CLASSES

Vision Unlimited is happy to share the successful conduct of our Dance Class for school students, designed to promote creativity, confidence, and overall personality development among children from underserved communities. The dance sessions provided students with a joyful and energetic space to express themselves freely. Through guided practice and group choreography, children learned rhythm, coordination, teamwork, and stage confidence. Beyond physical movement, the classes encouraged discipline, focus, and emotional expression. The enthusiasm and smiles on the children's faces reflected the positive impact of the activity. Many students who were initially shy gradually opened up, participating actively and gaining confidence in performing in front of others. Dance has become not just an extracurricular activity but a powerful tool for building self-esteem and reducing stress. Vision Unlimited remains committed to providing holistic development opportunities for children, ensuring they grow not only academically but also creatively and socially.

DAYCARE CENTER

Our after school clubs usually take children above the age of four. But many of our older children are also child minders for their younger siblings, as their mothers go to work. They can, therefore, not attend school.

To help them continue their education, we started a small play area for children even two years old, in the ASCs. We now have forty children in this program. All our ASCs now support our older students by taking care of their younger siblings during school hours.

SPECIAL ABILITIES PROGRAM

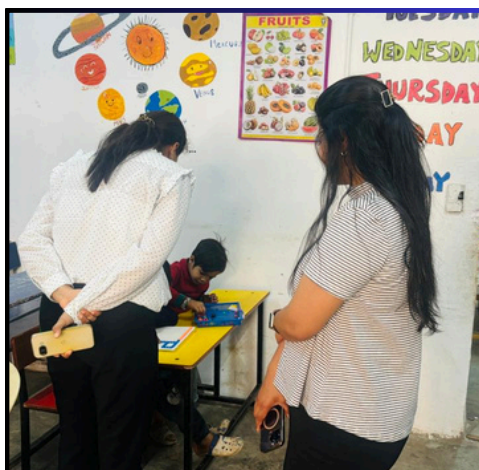

SAP is our program for including children with special abilities into our Club. We have twenty children in our family who struggle to come to the Club because of physical, emotional or intellectual limitations. Our teachers visit them twice a week, at home, with little treats, snacks, and teach them at home.

The program is now getting a much needed facelift - Rao Inderjit Singh ji , our Member of Parliament, has given us a comfortable, new car so the children can now come to school instead, and study with their peers!

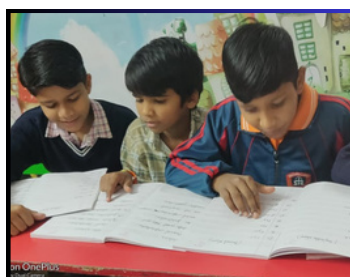

OUR FRIENDS WHO VISITED US

Our friends came carrying gifts and snacks for the children, and spent a delightful day playing music, and working on art and craft projects. it is a visit that will be remembered by all

OUR READING PROGRAM

Our libraries are used regularly. We are looking forward to our children learning to read better, and enjoy books- very especially in English.

ADOLESCENT HEALTH

The Girls Circle Initiative at the Vision Unlimited After-School Club, structured program aimed at empowering adolescent girls from underprivileged communities. The initiative focuses on building self-confidence, leadership qualities, and essential life skills while addressing key topics such as gender equality, menstrual hygiene, health awareness, and personal safety.

Through interactive sessions, group discussions, and mentoring, the program provides a safe and inclusive space for self-expression and peer learning. As a result, participating girls have shown improved communication skills, increased motivation toward education, and greater confidence to make informed decisions—contributing to their holistic growth and long-term empowerment.

GRAND PERENTS HEALTH CAMP

Vision Unlimited successfully organized a health camp for elderly community members, focusing on the well-being of grandparents and senior citizens. The camp aimed to provide basic health check-ups and promote awareness about preventive healthcare.

We are grateful to Dr. Ravi Kumar Shah, Mahaboob, and Kalpana for their valuable support and dedicated service during the camp. Their expertise and compassionate approach ensured that each participant received proper attention and care. During the camp, essential health check-ups such as blood pressure, sugar levels, and general health assessments were conducted. The doctors also provided basic consultations and guidance on maintaining a healthy lifestyle. The initiative was highly appreciated by the community, especially the elderly participants, who benefited from accessible and timely healthcare services. The camp not only addressed immediate health needs but also raised awareness about regular health monitoring.

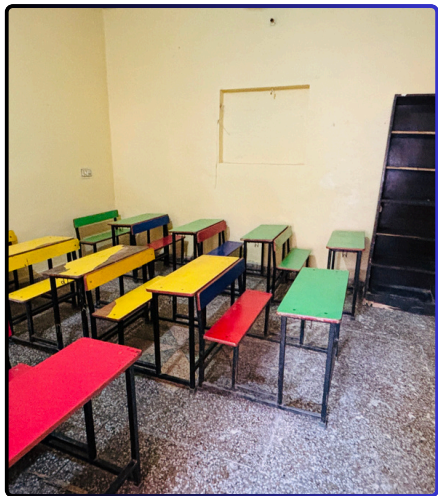

OLD SCHOOL – SPACE LOCATION

Previously, School was operating in a very small and congested space that lacked cleanliness and basic comfort. The access pathway to the centre was extremely narrow, making it difficult for children to commute safely. Due to limited seating space, students often faced challenges in sitting comfortably during classes. Additionally, there was no adequate open area for recreational activities, restricting opportunities for play and holistic development.

SCHOOL – SPACE RELOCATION UPDATE

Vision Unlimited is pleased to share that a safe and suitable location for establishing the new school was successfully identified. The site is easily accessible to the affected children and offers a conducive environment for conducting regular educational activities. The children love their new space!

BASANT PANCHAMI (SARASWATI PUJA) CELEBRATION

Basant Panchami was celebrated on 23 January with Saraswati Puja at the After-School Club in Badshahpur, Gurugram. The celebration aimed to highlight the importance of education, knowledge, and learning among children.

Children were introduced to the significance of Basant Panchami and the role of Goddess Saraswati as the symbol of wisdom, learning, and creativity. Through simple explanations and guided interactions, children learned to respect education, teachers, and the value of continuous learning.

The celebration included prayers and age-appropriate activities that encouraged discipline, focus, and positive values. Children participated with enthusiasm, creating a calm and respectful environment that reinforced the importance of education in their lives.

The event also contributed to children's social and emotional development. Collective participation in the puja fostered unity, cooperation, and a sense of belonging. The celebration helped instill cultural awareness while motivating children to take pride in their learning journey.

Overall, the celebration of Basant Panchami and Saraswati Puja served as a meaningful cultural and educational experience, supporting the holistic development of children in alignment with the objectives of the Mission Education programme.

INAUGURATION OF COMPUTER CLASS

Vision Unlimited successfully initiated its Computer Literacy Class at the learning centre in Badshahpur, Gurugram as part of its commitment to bridging the digital divide among underprivileged children.

The launch of the computer class marks an important step toward equipping children with essential digital skills required in today's rapidly evolving technological world. The session began with an introduction to basic computer components, their functions, and the importance of digital literacy in education and future career opportunities.

Children were introduced to fundamental skills such as operating a computer, using a keyboard and mouse, and understanding basic digital terminology. The inaugural session generated great enthusiasm among the students, many of whom were interacting with computers for the first time. The initiative aims to gradually expand into basic internet usage, digital safety, and introductory coding concepts to enhance logical thinking and problem-solving abilities.

Overall, the opening of the computer class represents a significant milestone in Vision Unlimited's efforts to provide holistic education and prepare children with 21st-century skills for a digitally empowered future.

LOHRI CELEBRATION

Lohri was celebrated on January at the After-School Club in Badshahpur, Gurugram. The celebration aimed to introduce children to India's rich cultural traditions while promoting values of unity, gratitude, and joy.

Children were made aware of the cultural significance of Lohri as a harvest festival that symbolizes prosperity, togetherness, and thankfulness towards nature. Through age-appropriate discussions, they learned about the importance of hard work, sharing, and celebrating collective happiness.

Interactive group activities were organized to mark the occasion, encouraging active participation and cooperation among children. The celebration created a joyful and inclusive environment, allowing children to engage socially and strengthen peer relationships.

The Lohri celebration also contributed to children's social and foundational learning development. Group interactions helped improve communication skills, confidence, and teamwork, while discussions enhanced listening and comprehension abilities. The festive atmosphere positively supported the emotional well-being of the children.

Overall, the Lohri celebration provided a meaningful cultural learning experience and supported the holistic development of children, in alignment with the objectives of the Mission Education program.

MAKAR SANKRANTI CELEBRATION

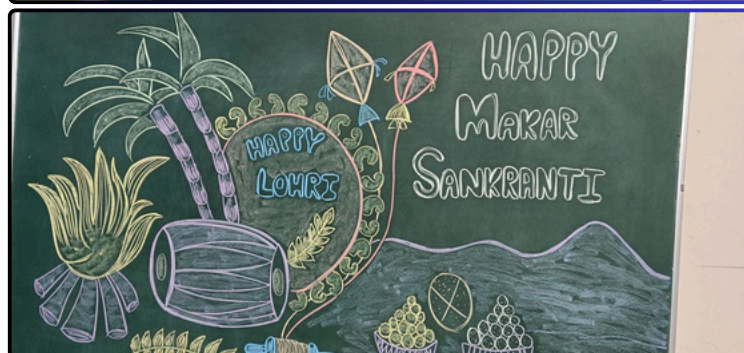

Makar Sankranti was celebrated on January at the After-School Club in Badshahpur, Gurugram. The celebration aimed to familiarize children with the cultural significance of the festival while promoting values of positivity and new beginnings.

Children were introduced to the importance of Makar Sankranti, which marks the transition of the sun into the zodiac sign of Capricorn and signifies hope, growth, and prosperity. Through simple explanations and interactive discussions, children learned about seasonal change, gratitude towards nature, and the spirit of celebration across different regions of India.

Engaging group activities were organized to encourage participation, sharing, and social interaction among children. These activities helped foster teamwork, communication, and a sense of togetherness in a joyful learning environment.

The celebration also supported children's social and emotional development by providing an opportunity to learn beyond academics and appreciate cultural diversity. Participating in collective celebrations strengthened children's confidence and sense of belonging.

Overall, the celebration of Makar Sankranti provided a meaningful cultural learning experience and contributed to the holistic development of children, in alignment with the objectives of the Mission Education programme.

REPUBLIC DAY CELEBRATION

Republic Day was celebrated on 26 January at the Foundational Literacy After-School Club in Badshahpur, Gurugram. The celebration aimed to instill a sense of patriotism, national pride, and respect for the Constitution among children.

The event began with the hoisting of the Indian National Flag by Mr Sharad Vishwanath from Aon, followed by a brief explanation about the significance of Republic Day and the values of justice, liberty, equality, and fraternity. Children actively participated in the ceremony with enthusiasm and respect.

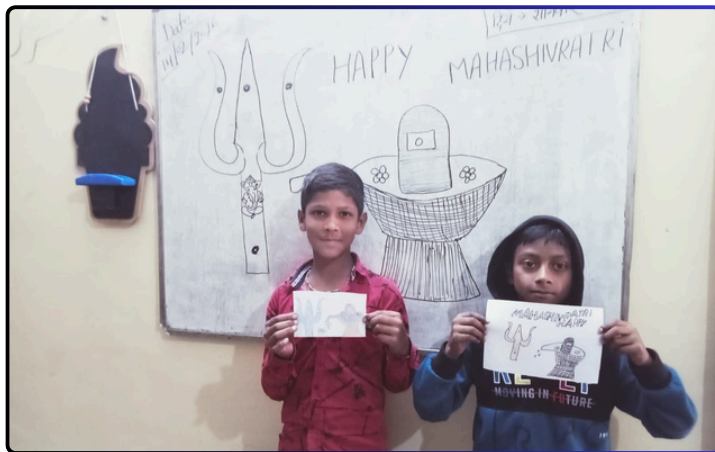

MAHASHIVRATRI CELEBRATION

Vision Unlimited celebrated Mahashivratri at the learning centre in Badshahpur, Gurugram as part of its cultural and value-based education activities under the Mission Education programme. The celebration aimed to introduce children to the spiritual and cultural significance of the festival. Children were sensitized about the importance of Lord Shiva and the values associated with Mahashivratri, such as discipline, devotion, self-control, and inner strength. Age-appropriate discussions were conducted to help children understand the moral lessons connected to the festival.

The celebration included prayer activities, storytelling, and interactive sessions that encouraged participation and reflection. Children actively engaged in the activities, which helped enhance their listening skills, cultural awareness, and confidence.

The event provided a peaceful and positive environment, promoting unity, respect for traditions, and moral development among the children.

Overall, the Mahashivratri celebration served as a meaningful cultural learning experience, contributing to the holistic development of children in alignment with the objectives of the programme.

DRAWING COMPETITION

Vision Unlimited is delighted to share highlights from the wonderful drawing competition organized for school students with the generous support of Feeding India. The event created a vibrant and joyful platform where children could express their creativity, imagination, and thoughts through art.

The competition witnessed enthusiastic participation from students, who showcased their talents through colorful and meaningful drawings. The themes encouraged positivity, social awareness, and dreams for a better future. The activity not only promoted artistic skills but also boosted confidence, focus, and self-expression among the children.

The atmosphere was filled with excitement and encouragement as students proudly presented their artwork. Teachers and volunteers guided and motivated the participants, ensuring that every child felt appreciated and valued. Small rewards and recognition further inspired the children to continue nurturing their talents.

We sincerely appreciate Feeding India for organizing such an engaging and confidence-building initiative. Activities like these go beyond competition—they foster creativity, emotional expression, and holistic development among young learners.

HOLI CELEBRATION

Vision Unlimited joyfully celebrated the vibrant festival of Holi with children across our learning centres. The celebration brought an atmosphere of happiness, unity, and cultural learning as children enthusiastically participated in the festivities.

Students enjoyed applying colors, sharing sweets, and taking part in fun group activities that filled the day with laughter and excitement. Teachers also guided children about the cultural significance of Holi, emphasizing values of togetherness, joy, and harmony.

The celebration provided children with a refreshing break from routine learning and helped strengthen bonds of friendship and community spirit. Seeing the bright smiles on their faces was a beautiful reminder of how such moments create lasting memories in their childhood.

The event was a delightful blend of culture, fun, and learning, making the day truly special for everyone.

WOMEN'S DAY CELEBRATION

Vision Unlimited proudly celebrated International Women's Day with great enthusiasm, recognizing the strength, resilience, and achievements of women and girls in our community. The event was organized to inspire and empower young girls and women, encouraging them to believe in their potential and strive for a brighter future. The celebration included interactive sessions, discussions, and activities focused on women's rights, gender equality, and the importance of education and self-reliance. Girls actively participated by sharing their thoughts, experiences, and aspirations, creating a supportive and encouraging environment. Special activities such as motivational talks, group discussions, and creative expressions helped build confidence and awareness among the participants. The event also highlighted the importance of breaking stereotypes and promoting equal opportunities for all. The celebration served as a meaningful platform to reinforce the message that empowered girls and women are key to building stronger families and communities. It was an inspiring and impactful day that left participants motivated and hopeful for their future.

EID MUBARAK CELEBRATION

Vision Unlimited joyfully celebrated the festival of Eid with children across our learning centres, spreading happiness, togetherness, and cultural understanding. The celebration provided a wonderful opportunity for children to learn about the significance of Eid and the values of kindness, gratitude, and sharing.

The day was filled with excitement as children participated in festive activities, greeted each other with “Eid Mubarak,” and enjoyed special treats together. The celebration fostered a sense of unity and inclusiveness, bringing children from diverse backgrounds closer.

Teachers shared the importance of compassion, charity, and helping those in need, which are central to the spirit of Eid. The joyful environment, smiles, and laughter of the children made the celebration truly special and memorable.

Such celebrations not only bring happiness but also help children appreciate cultural diversity and build a sense of community and respect for all.

NAVARATRI CELEBRATION

Vision Unlimited celebrated the auspicious festivals of Navratri and Ram Navami with great devotion and enthusiasm across its learning centres. The celebrations aimed to help children understand the cultural and spiritual significance of these festivals while promoting values of righteousness, devotion, and positivity.

During Navratri, children learned about the importance of Goddess Durga and the victory of good over evil. They participated in devotional activities, storytelling sessions, and creative expressions, which enhanced their cultural awareness and engagement.

On the occasion of Ram Navami, children were introduced to the life and teachings of Lord Ram, emphasizing values such as truth, discipline, respect, and responsibility. Special activities, prayers, and discussions were conducted to help children connect with these teachings in their daily lives.

The celebrations created a joyful and spiritually enriching environment, encouraging children to learn, reflect, and celebrate together. Such initiatives play an important role in nurturing moral values and cultural understanding among children.

STATIONERY DISTRIBUTION SUPPORT

Vision Unlimited is delighted to share a heartfelt note of gratitude to PHTD – Pranic Healing Trust of Delhi for their generous support in providing new stationery items for children from underserved communities.

With this thoughtful contribution, essential learning materials such as notebooks, pens, pencils, erasers, sharpeners, and other academic supplies were distributed to children attending our learning centres. For many of these children, access to basic educational materials remains a daily challenge. Receiving fresh stationery not only equips them for academic success but also fills them with excitement, confidence, and renewed motivation to learn.

The joy on the children's faces during the distribution reflected the true impact of your support. Holding their new notebooks and supplies, they felt valued, encouraged, and inspired to continue their educational journey with greater enthusiasm. Small tools often create big transformations—and this support has strengthened their sense of belonging and dignity.

We sincerely thank PHTD – Pranic Healing Trust of Delhi for standing with Vision Unlimited in our mission to ensure that no child's education is hindered due to lack of resources.

WORLD WATER DAY CELEBRATION

Vision Unlimited observed World Water Day with the aim of creating awareness among children about the importance of water conservation and responsible usage. The session focused on educating students about the value of water as a precious natural resource and the need to protect it for future generations.

Children actively participated in discussions, awareness activities, and interactive sessions where they learned simple yet impactful ways to save water in their daily lives. Topics such as avoiding water wastage, using water wisely, and keeping water sources clean were highlighted.

Creative activities like drawing and slogan writing further helped children express their understanding of water conservation. The session encouraged them to become responsible individuals and advocates for protecting the environment.

The celebration was both educational and inspiring, helping children understand that every small effort counts in saving water and ensuring a sustainable future.

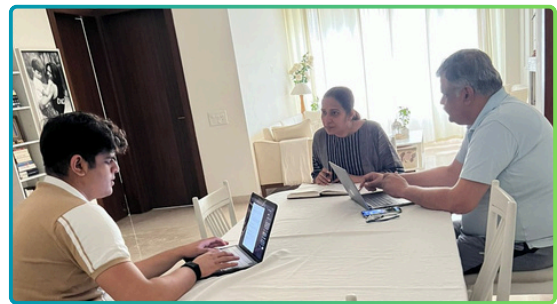

STAKEHOLDER MANAGEMENT & PLANNING MEETINGS REPORT

Vision Unlimited conducted important stakeholder and internal planning meetings to strengthen program implementation, financial planning, and organizational transparency for the upcoming financial year 2025–26.

A Stakeholder Management Meeting was held with Nikhil Prasad Ojha, where key program updates, challenges, and future strategies were discussed. The meeting focused on strengthening collaboration, improving program effectiveness, and aligning goals for greater impact in the community.

Additionally, a Working Committee Meeting was conducted to review and plan the budget and auditing processes for FY 2025–26. The discussion included financial planning, resource allocation, compliance requirements, and ensuring transparency in all operational activities. The committee emphasized the importance of efficient budgeting and strong monitoring systems to support sustainable program growth.

These meetings played a crucial role in enhancing coordination, accountability, and strategic planning within the organization, ensuring that Vision Unlimited continues to deliver impactful and well-managed programs for the communities it serves.

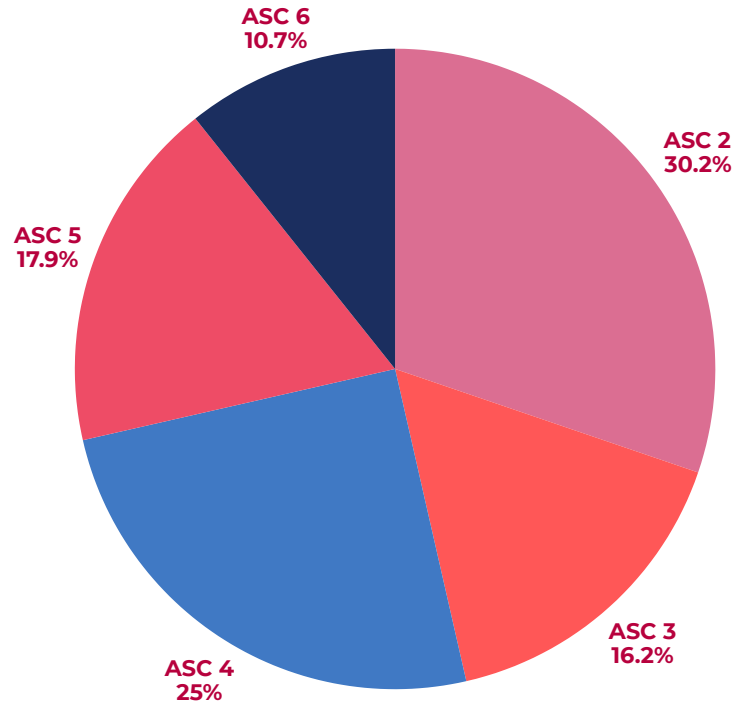

The monthly parents-teacher meeting took place, fostering collaboration and discussion on student progress. Parents and teachers discussed academic performance and social behavior improvements. The PTM was a resounding success, leaving parents encouraged and motivated to play a more active role in their child's educational journey. Vision Unlimited remains committed to nurturing students' potential and building a strong partnership with parents to ensure their children's success in all spheres of life.
