INTRODUCTION

The Impact We Wish to Deliver

- Integration, and increased retention of underprivileged students from transitional communities, into the public education system
- Improved health indices (body weight, height, BMI) through meal supplements and regular health check-ups
- Overall personality development through specialized learning programs

What We Do

- **Classroom teaching** in foundational subjects such as English, Hindi, Maths, EVS and Computer science – to reinforce concepts and help students “catch up” to their peers.
- **Nutritional support** with 1 meal a day with minimum of 500 calories, 8 grams of protein, and other vital nutrients.
- **Health check-ups** including anemia testing, immunization support, and eye check ups

AFTER SCHOOL CLUBS

Holistic development of the child:

- Foundational learning
- Promoting health & immunisation
- Providing nutritional support
- Extracurricular activities
- Safe space for social interaction

Our 'After-School Club' (ASC) program in Gurugram, Haryana, aims to supplement the functioning of the mainstream public education system for underprivileged, transitional communities, by focusing on the following activities.

We work towards helping 'out of school children in developing the basic skills needed for them to be ready to take on formal learning in schools. We also provide after-school support in the form of doubt clearance and reinforcement of key concepts for children who are already enrolled in government schools.

We essentially incentivise participation and involvement in learning through parent engagement and incentives like the provision of school supplies and learning aids, a meal supplement per day, as well as regular free health check-ups for the holistic development of our children in the urban slums of Badshahpur, Gurugram.

**After School
Clubs**

527 children

KEY ACTIVITIES

01

Regular Classes

Regular classes continued through the quarter, after the month long summer club. There was lots to learn, and catch up on!

02

Extra-curricular activities

Sundays continued to be fun-days, with four hours fun and frolic: hobby classes, outdoor games, singing, dancing, mehndi, sewing and cooking

03

Health Check

Monthly recording of height, weight.. On schedule supplements, and help with healthcare navigation.

04

New Developments

This was a busy three months: A new Digital Literacy program, the daycare program became more streamlined, the Special Abilities program was revamped, stitching class .

ACADEMICS

Children attending the Vision Unlimited After-School Club demonstrate consistent academic progress. Structured homework support, individualized guidance, and engaging learning activities have significantly strengthened their understanding and performance in core subjects. Teachers have observed noticeable improvements in students' confidence, active classroom participation, and overall enthusiasm for learning.

NUTRITION

Feeding India now provides our children with nutritious hot meals on a daily basis. This collaboration ensures that students are well-nourished, supporting their overall health and well-being while enhancing their ability to learn and succeed academically. Together, we are creating a healthier, more focused, and supportive learning environment.

EXERCISE AND PLAY

Exercise and play play a vital role in keeping children healthy, happy, and active. At the Vision Unlimited After-School Club, we promote enjoyable physical activities that build strength, teamwork, and self-confidence. Through games and movement, children enhance their focus, develop new skills, and grow stronger both physically and mentally. Outdoor play sessions provide opportunities for recreation and social interaction, while morning exercise continues to remain an integral part of our daily curriculum.

GIRLS CIRCLE

The girls come together to openly discuss issues related to adolescence, menstrual health, and other challenges they may face. Teachers serve as facilitators for these discussions, guiding the dialogue, helping identify practical solutions, and supporting the girls in navigating appropriate healthcare services.

CRAFT WORKSHOPS

The clay modeling and painting workshops at Vision Unlimited provided children with hands-on opportunities to express creativity, build self-confidence, and develop essential life skills. The theatre sessions encourage teamwork, communication, and self-expression, while clay art activities stimulated imagination and artistic exploration. Together, these engaging workshops empowered children through joyful and meaningful skill-building experiences.

OUT DOOR DAYS

The outdoor days and free play at Vision Unlimited offered children an engaging platform to express themselves, build confidence, and develop essential life skills. Under the guidance of teachers, these sessions strengthened communication, creativity, and teamwork, while encouraging children to overcome stage fear and express their ideas freely. Through interactive activities and performances, the workshops fostered self-confidence, emotional expression, and a strong sense of collaboration

DANCE CLASSES

Vision Unlimited is happy to share the successful conduct of our Dance Class for school students, designed to promote creativity, confidence, and overall personality development among children from underserved communities.

The dance sessions provided students with a joyful and energetic space to express themselves freely. Through guided practice and group choreography, children learned rhythm, coordination, teamwork, and stage confidence. Beyond physical movement, the classes encouraged discipline, focus, and emotional expression. The enthusiasm and smiles on the children's faces reflected the positive impact of the activity. Many students who were initially shy gradually opened up, participating actively and gaining confidence in performing in front of others. Dance has become not just an extracurricular activity but a powerful tool for building self-esteem and reducing stress.

Vision Unlimited remains committed to providing holistic development opportunities for children, ensuring they grow not only academically but also creatively and socially.

DAYCARE CENTER

Our after school clubs usually take children above the age of four. But many of our older children are also child minders for their younger siblings, as their mothers go to work. They can, therefore, not attend school.

To help them continue their education, we started a small play area for children even two years old, in the ASCs. We now have forty children in this program. All our ASCs now support our older students by taking care of their younger siblings during school hours.

SPECIAL ABILITIES PROGRAM

SAP is our program for including children with special abilities into our Club. We have twenty children in our family who struggle to come to the Club because of physical, emotional or intellectual limitations. Our teachers visit them twice a week, at home, with little treats, snacks, and teach them at home.

The program is now getting a much needed facelift - Rao Inderjit Singh ji , our Member of Parliament, has given us a comfortable, new car so the children can now come to school instead, and study with their peers!

OUR FRIENDS WHO VISITED US

Our friends came carrying gifts and snacks for the children, and spent a delightful day playing music, and working on art and craft projects. it is a visit that will be remembered by all

OUR READING PROGRAM

Our libraries are used regularly. We are looking forward to our children learning to read better, and enjoy books- very especially in English.

WORLD HEALTH DAY

Vision Unlimited observed World Health Day with the objective of promoting awareness about the importance of good health and well-being among children and the community. The session focused on encouraging healthy habits and preventive care to ensure a better quality of life.

Children actively participated in discussions and activities related to personal hygiene, nutrition, and daily health practices. They were educated on the importance of maintaining cleanliness, eating balanced meals, staying physically active, and taking care of their mental well-being.

Interactive sessions, demonstrations, and group discussions made the learning process engaging and impactful. Children were encouraged to adopt simple healthy habits in their daily routines and to share this knowledge with their families.

The celebration served as an important step towards building a health-conscious mindset among children, empowering them to make informed choices and lead healthier lives.

SEWING SKILLS

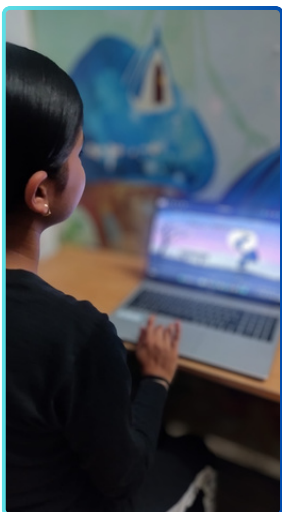

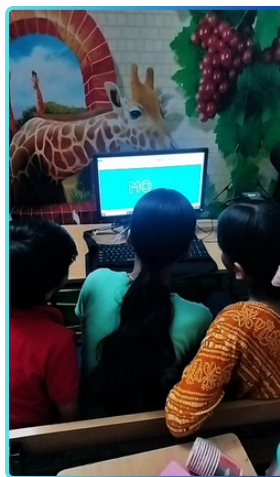

Our Stitching Classes help women and girls learn valuable tailoring and sewing skills for self-employment and creativity. Students are trained in basic to advanced stitching techniques, dress designing, measurement taking, fabric cutting, and machine handling. These classes encourage confidence, skill development, and financial independence.

DIGITAL LITERACY

Vision Unlimited has initiated computer classes to introduce children to basic digital skills and enhance their learning experience in today's technology-driven world. The sessions aim to familiarize students with computers, helping them develop essential skills that are increasingly important for education and future opportunities. Children are being taught basic computer operations such as using a keyboard and mouse, understanding fundamental software, and exploring simple educational applications. The classes are interactive and engaging, encouraging students to learn through hands-on practice. The initiative has generated great interest among children, many of whom are experiencing computers for the first time. It is helping build their confidence, curiosity, and digital awareness.

These classes are an important step towards bridging the digital divide and ensuring that children are better prepared for the evolving educational and professional landscape.

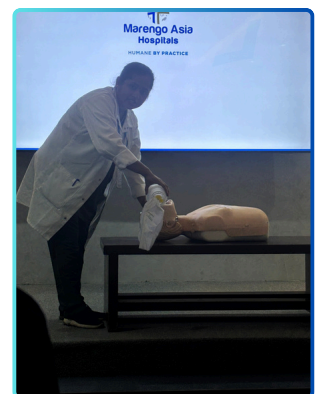

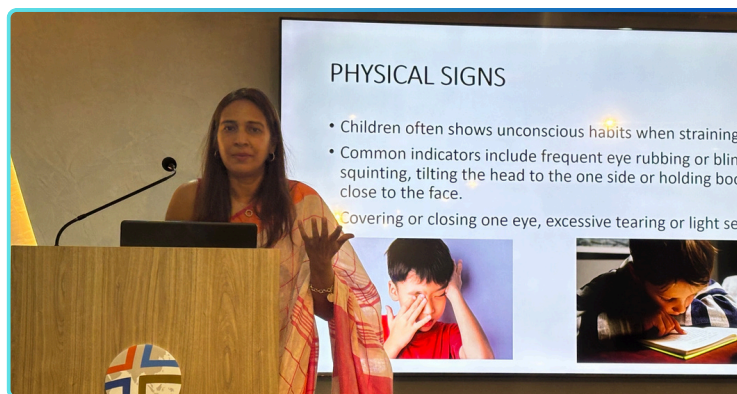

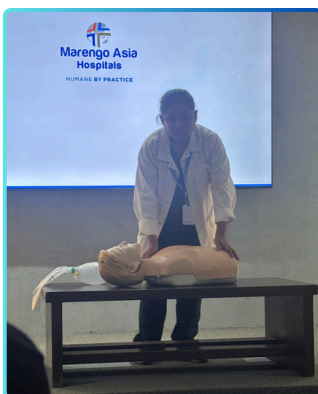

BASIC LIFE SUPPORT (BLS) STAFF TRAINING

Vision Unlimited successfully organized a Basic Life Support (BLS) training session for staff members to enhance emergency response preparedness and promote a safer learning environment for children and the community. The training focused on essential life-saving techniques, including CPR, emergency response procedures, and basic first-aid practices. Staff members were guided on how to respond effectively during medical emergencies and provide immediate support until professional medical assistance arrives.

The session was highly interactive and informative, enabling participants to gain practical knowledge and confidence in handling emergency situations. Through demonstrations and hands-on practice, staff developed a better understanding of safety protocols and emergency care.

This training initiative reflects Vision Unlimited's commitment to building a responsible and prepared team capable of ensuring the safety and well-being of children and community members.

VU GETS A SCOOTER

As part of its commitment to strengthening community outreach and programme implementation, ATLAN Technologies Private Limited generously donated a Hero Destini Scooter to Vision Unlimited.

The donated vehicle will significantly enhance the organisation's field operations by enabling staff to travel efficiently for school visits, community mobilisation, home visits, stakeholder meetings, beneficiary follow-ups, and programme monitoring. Improved mobility will facilitate better coordination with communities, ensure timely implementation of activities, and strengthen overall programme delivery.

The scooter will also support regular monitoring of educational interventions, parent engagement, and outreach initiatives across project locations, allowing the team to respond more effectively to the needs of children and their families.

Vision Unlimited sincerely acknowledges and appreciates the generous support of ATLAN Technologies Private Limited. This valuable contribution will strengthen the organisation's operational capacity and help ensure the effective delivery of educational and community development programmes, creating a lasting impact on the lives of underserved children and communities.

TWO DAY PRANIC HEALING WORKSHOP

A Two-Day Pranic Healing Training Program was organized to enhance the overall well-being and personal development of the teaching team. The training was conducted by Pranic Healing and facilitated by Rachana Ma'am and Damini Ma'am.

The sessions focused on stress management, emotional well-being, energy awareness, mindfulness, and simple healing techniques that can be incorporated into daily life. Through practical exercises, guided meditation, and interactive activities, participants learned effective ways to improve mental clarity, emotional balance, and overall wellness.

The training encouraged teachers to adopt self-care practices, helping them maintain a positive mindset and create a nurturing learning environment for children.

Outcomes

- Enhanced emotional well-being and stress management skills.
- Improved mindfulness, focus, and self-awareness.
- Strengthened personal resilience and positive thinking.
- Promoted a healthier and more supportive learning environment.

Conclusion

The two-day Pranic Healing Training provided valuable tools for personal and professional growth. Under the guidance of Rachana Ma'am and Damini Ma'am, participants gained practical techniques to improve their well-being, enabling them to support children's holistic development with greater confidence, compassion, and positivity.

AWARENESS SESSION ON ADOLESCENCE, CYBER CRIME & ONLINE SAFETY

To promote the safety and well-being of children, an Awareness Session on Adolescence, Cyber Crime, and Online Safety was organized by Bachpan – Save the Innocence and led by Himanshi Ma'am and her team.

The session focused on helping children understand the physical and emotional changes during adolescence, safe and responsible use of the internet, cyber crime awareness, and ways to protect themselves from online risks.

Through interactive discussions and practical examples, participants learned about digital footprints, cyberbullying, online scams, privacy protection, and the importance of reporting unsafe online behaviour.

The session encouraged children to make informed decisions, practice responsible digital citizenship, and seek support from trusted adults whenever needed.

Outcomes

- Increased awareness about adolescence and emotional well-being.
- Improved understanding of cyber crimes and online safety practices.
- Enhanced knowledge of responsible digital behaviour and privacy protection.
- Encouraged children to recognize, report, and prevent online risks.

Conclusion

The session conducted by Bachpan – Save the Innocence, under the guidance of Himanshi Ma'am and her team, equipped children with essential life skills to navigate both adolescence and the digital world safely. It strengthened their awareness, confidence, and ability to make responsible choices, contributing to their overall development and protection.

BAISAKHI CELEBRATION

Vision Unlimited joyfully celebrated Baisakhi with children across its learning centres, creating an atmosphere of happiness, cultural learning, and togetherness. The celebration aimed to help children understand the significance of Baisakhi as a harvest festival and its importance in Indian culture. Children actively participated in cultural activities, including music, dance, and group discussions. They learned about the traditions associated with Baisakhi, especially its importance for farmers and the spirit of gratitude for a good harvest. The celebration was filled with enthusiasm as children expressed themselves through performances and enjoyed the festive environment. Teachers also highlighted values of hard work, gratitude, and community bonding. The event not only brought joy to the children but also helped them appreciate cultural diversity and traditions, making it a meaningful and memorable experience for all.

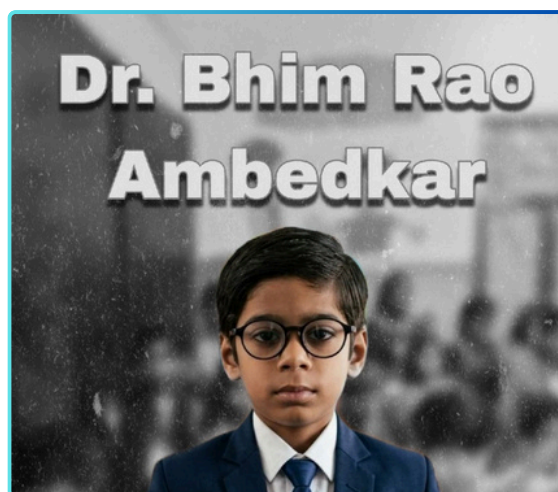

AMBEDKAR JAYANTI CELEBRATION

Vision Unlimited celebrated Ambedkar Jayanti with great respect and enthusiasm to honor the life and contributions of Dr. B. R. Ambedkar, the architect of the Indian Constitution and a champion of equality and social justice.

The session aimed to educate children about Dr. Ambedkar's teachings and his efforts toward building an inclusive and equitable society. Through storytelling, discussions, and interactive activities, children learned about the importance of education, equality, and standing against discrimination.

Students actively participated by sharing their thoughts and engaging in creative activities, which helped them understand the values of justice, rights, and responsibility. The celebration inspired children to follow the path of knowledge and work towards creating a fair and respectful society. The event served as a meaningful opportunity to instill important moral and civic values among children, encouraging them to become responsible and aware citizens.

WORLD BOOK DAY CELEBRATION

Vision Unlimited and Penguin Random House India celebrated World Book Day with great enthusiasm to promote the joy of reading and the importance of books in shaping young minds. The celebration aimed to encourage children to develop a habit of reading and enhance their imagination, vocabulary, and knowledge.

Children actively participated in reading sessions, storytelling activities, and group discussions, where they explored different books and shared their favorite stories. These activities helped improve their comprehension, speaking skills, and confidence.

Teachers guided the children on the value of books as a source of learning and inspiration. The session also emphasized how reading can open doors to new ideas, creativity, and lifelong learning.

The celebration created a positive and engaging learning environment, inspiring children to develop a love for books and continue their reading journey.

NEW SCHOOL SUPPLIES

Vision Unlimited is delighted to share a heartfelt note of gratitude to PHTD – Pranic Healing Trust of Delhi for their generous support in providing new stationery items for children from underserved communities.

With this thoughtful contribution, essential learning materials such as notebooks, pens, pencils, erasers, sharpeners, and other academic supplies were distributed to children attending our learning centres. For many of these children, access to basic educational materials remains a daily challenge. Receiving fresh stationery not only equips them for academic success but also fills them with excitement, confidence, and renewed motivation to learn. The joy on the children's faces during the distribution reflected the true impact of your support. Holding their new notebooks and supplies, they felt valued, encouraged, and inspired to continue their educational journey with greater enthusiasm. Small tools often create big transformations—and this support has strengthened their sense of belonging and dignity. We sincerely thank PHTD – Pranic Healing Trust of Delhi for standing with Vision Unlimited in our mission to ensure that no child's education is hindered due to lack of resources.

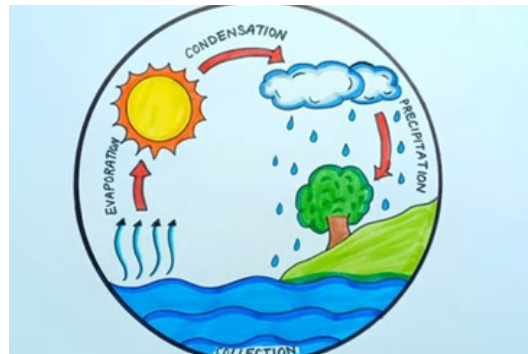

EARTH DAY CELEBRATION

Vision Unlimited celebrated Earth Day with the aim of creating awareness among children about environmental protection and sustainable living. The session focused on educating students about the importance of caring for the planet and adopting eco-friendly habits in their daily lives.

Children actively participated in discussions and activities related to saving trees, reducing waste, and conserving natural resources. They learned simple practices such as avoiding plastic use, planting trees, and keeping their surroundings clean.

Creative activities like drawing, poster-making, and slogan writing helped children express their understanding of environmental conservation. These activities not only enhanced their creativity but also strengthened their sense of responsibility towards nature.

The celebration inspired children to become environmentally conscious individuals and encouraged them to take small but meaningful steps towards protecting the Earth.

LABOUR DAY

Vision Unlimited celebrated Labour Day to recognize and appreciate the hard work, dedication, and contribution of workers who play an important role in building and supporting society. The celebration aimed to help children understand the dignity of labour and the value of respecting every profession.

During the session, children participated in discussions and activities focused on the importance of hard work, responsibility, and equality. Teachers explained how workers from different fields contribute to the smooth functioning of daily life and why every job deserves respect and appreciation.

The celebration encouraged children to develop gratitude towards workers in their communities and inspired them to value dedication and perseverance in their own lives. The event created awareness about social responsibility while promoting empathy and respect among students.

The day was both educational and meaningful, helping children learn important life values through interactive and engaging activities.

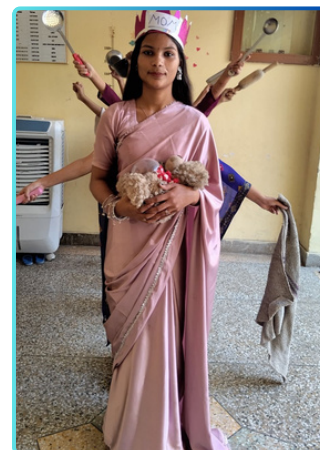

MOTHER'S DAY CELEBRATIONS

Vision Unlimited joyfully celebrated Mother's Day to honor and appreciate the love, care, and sacrifices of mothers in the lives of children. The celebration aimed to help children express their gratitude and strengthen the emotional bond between mothers and their children.

Children enthusiastically participated in various creative activities such as card-making, drawing, and message-writing to convey their love and appreciation for their mothers. The event was filled with warmth, happiness, and emotional moments as children shared heartfelt thoughts and wishes.

Teachers also spoke about the importance of respecting and valuing mothers and caregivers who play a vital role in nurturing and guiding children. The celebration created a joyful and meaningful environment that encouraged love, gratitude, and family bonding.

The event was a memorable experience for both children and mothers, leaving everyone with beautiful memories and smiles.

EID MUBARAK

Vision Unlimited joyfully celebrated the festival of Eid with children across our learning centres, spreading happiness, togetherness, and cultural understanding. The celebration provided a wonderful opportunity for children to learn about the significance of Eid and the values of kindness, gratitude, and sharing.

The day was filled with excitement as children participated in festive activities, greeted each other with “Eid Mubarak,” and enjoyed special treats together. The celebration fostered a sense of unity and inclusiveness, bringing children from diverse backgrounds closer.

Teachers shared the importance of compassion, charity, and helping those in need, which are central to the spirit of Eid. The joyful environment, smiles, and laughter of the children made the celebration truly special and memorable.

Such celebrations not only bring happiness but also help children appreciate cultural diversity and build a sense of community and respect for all.

FAMILY DAY CELEBRATIONS

Vision Unlimited joyfully celebrated Family Day with children to highlight the importance of family, love, care, and togetherness in shaping a child's life. The celebration aimed to help children understand the value of strong family bonds and the support families provide in their growth and well-being.

Children enthusiastically participated in creative activities, discussions, and sharing sessions where they expressed their love and gratitude for their family members. Through drawings, messages, and storytelling, students shared special moments and memories with their families.

Teachers also spoke about the importance of respect, care, and communication within families, encouraging children to strengthen their relationships with parents, grandparents, and siblings.

The celebration created a warm and joyful atmosphere filled with happiness and emotional connection. It was a meaningful experience that promoted values of love, unity, and appreciation among children.

YOGA DAY CELEBRATION

Vision Unlimited celebrated International Yoga Day

The event introduced children to the importance of yoga as a practice for maintaining physical health, mental well-being, and emotional balance.

Children enthusiastically participated in guided yoga sessions, breathing exercises, and simple meditation techniques. They learned that regular yoga helps improve flexibility, concentration, posture, and overall fitness while reducing stress and promoting inner calm.

The celebration also encouraged children to adopt healthy lifestyle habits and understand the value of discipline, self-awareness, and mindfulness. Group activities fostered teamwork, confidence, and active participation, creating a joyful and engaging learning environment.

Overall, the International Yoga Day celebration was a meaningful experience that promoted holistic development, inspiring children to incorporate healthy habits into their daily lives and supporting their overall physical, mental, and emotional well-being.

MAIN STREAM STUDENTS

A total of students have been mainstreamed into formal schools through Vision Unlimited's educational initiatives. This milestone reflects the organisation's continued commitment to ensuring that children from underprivileged communities gain access to quality education and are successfully integrated into the formal education system.

Or, if you simply need the data point for a report table:

Indicator Achievement

Total Current Students - 527

Total Students Mainstreamed. - 207

Total Dropout Students - 160

PTM

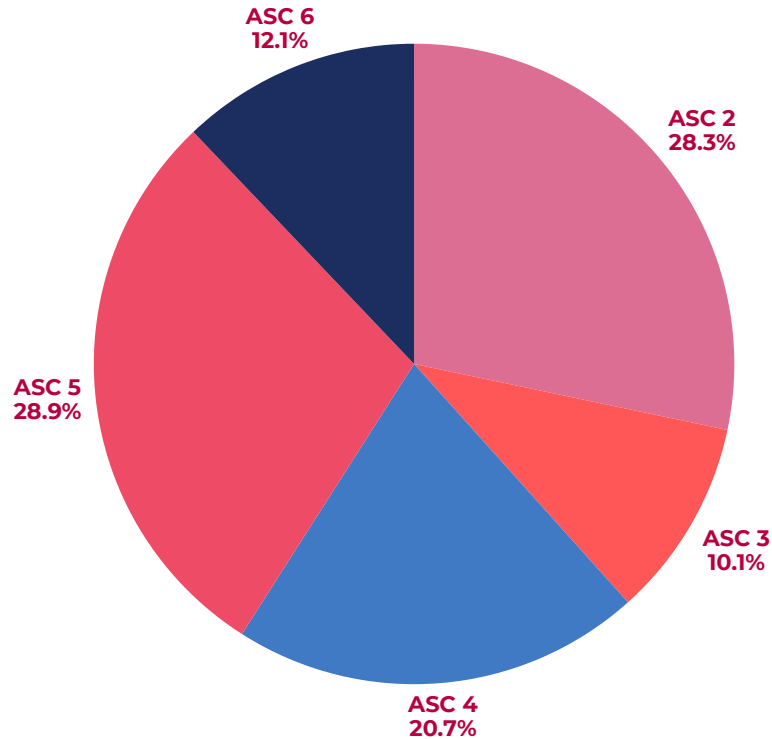

The monthly parents-teacher meeting took place, fostering collaboration and discussion on student progress. Parents and teachers discussed academic performance and social behavior improvements. The PTM was a resounding success, leaving parents encouraged and motivated to play a more active role in their child's educational journey. Vision Unlimited remains committed to nurturing students' potential and building a strong partnership with parents to ensure their children's success in all spheres of life.
