NON NUTRITION D D R N

The Impact We Wish to Deliver

- Integration, and increased retention of underprivileged students from transitional communities, into the public education system
- Improved health indices (body weight, height, BMI) through meal supplements and regular health check-ups
- Overall personality development through specialized learning programs

What We Do

- **Classroom teaching** in foundational subjects such as English, Hindi, Maths, EVS and Computer science – to reinforce concepts and help students “catch up” to their peers
- **Nutritional support** with 1 meal a day with minimum of 500 calories, 8 grams of protein, and other vital nutrients
- **Health check-ups** including anemia testing, immunization support, and eye check ups

AFTER SCHOOL CLUBS

Holistic development of the child:

- Foundational learning
- Promoting health & immunisation
- Providing nutritional support
- Extracurricular activities
- Safe space for social interaction

Our 'After-School Club' (ASC) program in Gurugram, Haryana, aims to supplement the functioning of the mainstream public education system for the transitional communities, by focusing on the following activities.

We work towards helping 'out of school children in developing the basic skills needed for them to be ready to take on formal learning in schools.

We also provide after-school support in the form of doubt clearance and reinforcement of key concepts for children who are already enrolled in government schools.

We essentially incentivise participation and involvement in learning through parent engagement and incentives like the provision of school supplies and learning aids, a meal supplement per day, as well as regular free health check-ups for the holistic development of our children.

**4 After
School Clubs
420 children**

KEY ACTIVITIES

The children continued to come to school after the Christmas holidays.

01

Regular Classes

Regular classes continued through the quarter, with breaks for the many holidays.

02

Extra-curricular activities

Sundays continued to be fun-days, with four hours fun and frolic: hobby classes, outdoor games, singing, dancing, mehndi, sewing and cooking

03

Health Check

Monthly recording of height, weight.

04

Immunisation

The children got their routine immunisation, polio drops, deworming medication and vitamin supplements as prescribed

05

Kitchen

Two new kitchens were started this quarter. Now students of ASC 3 and 5 also get a hot, cooked meal each day.

ACADEMICS

Routine classes continued from January to March, with breaks for the festivals.

NUTRITION

Our kitchens continued to make sure the children got a hot cooked meal. the festive season brought with it several festivals- the many parties meant that the children had enough junk food and sweets to satisfy even the pickiest eaters!

Sports Day

Sports day was an exciting event where students demonstrated their athletic abilities in competitions and team activities, fostering camaraderie, healthy competition, and joyful memories of teamwork and achievement.

Republic Day Celebrations

Republic Day celebration was a cultural extravaganza involving all students. Teachers orchestrated a vibrant program where children showcased their talents.

Lohri & Makar Sankranti

Enthusiastic laughter echoed in the classrooms as children celebrated the harvest festival of Lohri with vibrant energy and giant tubs of popcorn, chikki and sweets- crafting colourful kites symbolizing joy and prosperity.

Holi

At school, a lively Holi celebration took place. The event was filled with colors, laughter, fun, and games. It was delightful to witness everyone enjoying themselves, including the teachers. The classrooms became vibrant and cheerful, creating unforgettable moments.

Routine Immunisation

Routine mop up rounds for immunisation, and Pulse Polio drops for all eligible children were carried out in association with the local PHC.

PTM

Our parents are integral to the ASC's success.

Club	Jan-24		Feb-24		Mar-24	
	Date	Attendance	Date	Attendance	Date	Attendance
ASC-2	21-Jan-24	58/140	18-Feb-24	50/140	24-Mar-24	50/170
ASC-3	21-Jan-24	30/61	18-Feb-24	30/64	24-Mar-24	30/86
ASC-4	21-Jan-24	36/60	18-Feb-24	25/60	24-Mar-24	40/83
ASC-5	21-Jan-24	39/67	18-Feb-24	35/67	24-Mar-24	45/82

A New Beginning

ASC 5 SHIFTS TO A NEW BUILDING

ASC 5 moves to a new building near its old location, ensuring accessibility for students like Pranshi. The ground floor is for younger children and the library, while the first floor is for older students. The children chose to have their classrooms painted pink.

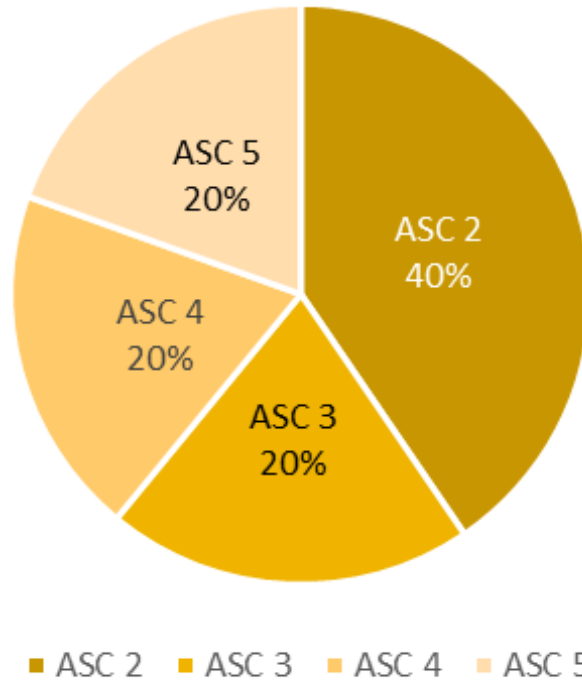

Final Exams

Final exams were held at all ASCs, representing the culmination of the academic year. These assessments mark a significant milestone for the students, showcasing their dedication and progress. The ongoing support from our community has been instrumental in fostering a positive learning environment, and the positive outcomes of these exams. Their learning is evident in the academic achievements of these children, further emphasizing the transformative effect of education on their lives.

NEXT STEPS

We continue doing what we are doing, and hope to bring more children into the educational mainstream.

Our efforts for their holistic development remains on course.
