AFTER SCHOOL CLUBS

Holistic development of the child:

- Foundational learning
- Promoting health & immunisation
- Providing nutritional support
- Extracurricular activities
- Safe space for social interaction

Our 'After-School Club' (ASC) program in Gurugram, Haryana, aims to supplement the functioning of the mainstream public education system for underprivileged, transitional communities, by focusing on the following activities.

We work towards helping 'out of school children in developing the basic skills needed for them to be ready to take on formal learning in schools.

We also provide after-school support in the form of doubt clearance and reinforcement of key concepts for children who are already enrolled in government schools.

We essentially incentivise participation and involvement in learning through parent engagement and incentives like the provision of school supplies and learning aids, a meal supplement per day, as well as regular free health check-ups for the holistic development of our children in the urban slums of Badshahpur, Gurugram.

**5 After
School Clubs**
676 children

INTRODUCTION

The Impact We Wish to Deliver

- Integration, and increased retention of underprivileged students from transitional communities, into the public education system
- Improved health indices (body weight, height, BMI) through meal supplements and regular health check-ups
- Overall personality development through specialized learning programs

What We Do

- **Classroom teaching** in foundational subjects such as English, Hindi, Maths, EVS and Computer science – to reinforce concepts and help students “catch up” to their peers.
- **Nutritional support** with 1 meal a day with minimum of 500 calories, 8 grams of protein, and other vital nutrients.
- **Health check-ups** including anemia testing, immunization support, and eye check ups

KEY ACTIVITIES

01

Regular Classes

Regular classes continued through the quarter, after the month long summer club. There was lots to learn, and catch up on!

02

Extra-curricular activities

Sundays continued to be fun-days, with four hours fun and frolic: hobby classes, outdoor games, singing, dancing, mehndi, sewing and cooking

03

Health Check

Monthly recording of height, weight.. On schedule supplements, and help with healthcare navigation.

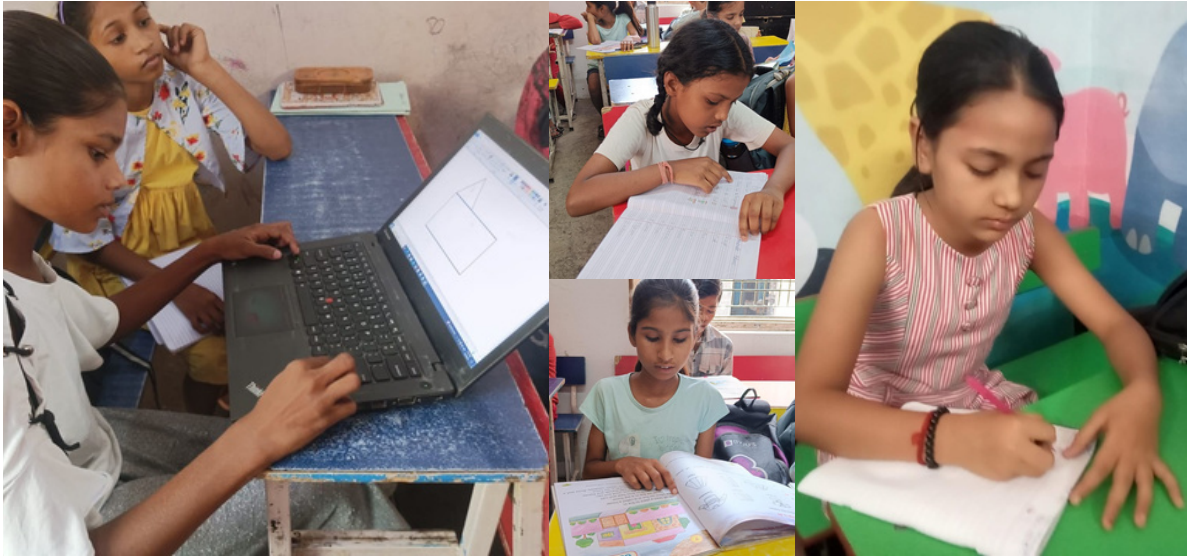

04

New Developments

This was a busy three months: A new Club 6, the daycare program became more streamlined, the Special Abilities program was revamped, and ASC4 got a new building!!

ACADEMICS

Children attending the Vision Unlimited After School Club show steady academic improvement. Regular support with homework, personalized attention, and engaging learning activities have enhanced their understanding and performance in core subjects. Teachers report increased confidence, better classroom participation, and a positive attitude toward learning among the students. T.

NUTRITION

Feeding India now provides our children with nutritious hot meals daily. This collaboration means our students are well-nourished, which will promote their overall well-being- and enhance their capacity to learn and thrive academically. Together, we are fostering a healthier, more focused learning environment.

EXERCISE AND PLAY

Exercise and play help children stay healthy, happy, and active. At Vision Unlimited After School Club, we encourage fun activities that build strength, teamwork, and confidence. Through games and movement, children develop better focus, learn new skills, and grow stronger every day—both in body and mind.. the children stepped outside to play. Of course the morning exercise remains a part of our curriculum, as always

GIRLS CIRCLE

The girls get together to discuss problems related to adolescence, menstrual health and any other problems that they face. The teachers are the facilitators for the dialogue, finding solutions for their problems, and help them with healthcare navigation.

THEATRE WORKSHOPS

The clay modeling and theatre workshops at Vision Unlimited offered children hands-on experiences to express creativity, build confidence, and develop life skills. Led by Mr. Gopala, the theatre session promoted teamwork and communication, while clay art inspired imagination. Both activities empowered children through joyful, skill-enhancing engagement.

SUMMER CAMP

Vision Unlimited After School Club successfully conducted a month-long Summer Camp from June 1 to June 30, 2025, benefiting over 325 children from diverse and marginalized backgrounds. The camp offered a vibrant mix of educational and recreational activities, including art and craft, storytelling, music, dance, yoga, and theatre. Special workshops on health, hygiene, nutrition, and environmental awareness were also held. The program fostered creativity, confidence, teamwork, and life skills in a safe and inclusive environment. Parents appreciated the initiative for its meaningful impact on their children's development, making the summer a joyful and enriching experience for all participants. In conclusion, the Vision Unlimited Summer Camp 2025 was not just a break from the academic year—it was a holistic developmental experience that brought joy, learning, and transformation to the lives of participating children. The success of this initiative underscores Vision Unlimited's continued commitment to nurturing the potential of every child and creating safe, stimulating spaces for their growth and well.

DAYCARE CENTER

Our after school clubs usually take children above the age of four. But many of our older children are also child minders for their younger siblings, as their mothers go to work. They can, therefore, not attend school.

To help them continue their education, we started a small play area for children even two years old, in the ASCs. We now have forty children in this program. All our ASCs now support our older students by taking care of their younger siblings during school hours.

SPECIAL ABILITIES PROGRAM

SAb is our program for including children with special abilities into our Club. We have twenty children in our family who struggle to come to the Club because of physical, emotional or intellectual limitations. Our teachers visit them twice a week, at home, with little treats, snacks, and teach them at home.

The program is now getting a much needed facelift - Rao Inderjit Singh uncle, our Member of Parliament, has given us a comfortable, new car so the children can now come to school instead, and study with their peers!

OUR FRIENDS WHO VISITED US

Our friends Dr.Praveen came carrying gifts and snacks for the children, and spent a delightful day playing music, and working on art and craft projects. it is a visit that will be remembered by all

OUR READING PROGRAM

Our friends from KPMG are now coming regularly to read with, and to, the children . We are looking forward to our children learning to read better, and enjoy books- very especially in English.

HEALTH CAMP

Vision Unlimited successfully organized a comprehensive health camp for children with the objective of promoting overall well-being and facilitating early detection of health concerns. A medical team led by a doctor from Manengo Asia Hospital conducted thorough health assessments, including general physical examinations, nutritional evaluations, and informative sessions on hygiene and healthy lifestyle practices. The camp extended free medical consultations and essential medicines to over 120 children. Additionally, parents received guidance on managing common childhood ailments and ensuring balanced nutrition. The initiative was well-received by the community. Vision Unlimited extends its sincere gratitude to Manengo Asia Hospital for their dedicated support and collaboration.

DENTAL CAMP

A dental camp was organized by Vision Unlimited for children, focusing on promoting oral hygiene and dental care awareness. Dr. Vasundhra, along with her dedicated team of dental professionals, conducted thorough check-ups and provided valuable guidance on maintaining healthy teeth. The camp included interactive sessions on proper brushing techniques and the importance of regular dental visits. Over 100 children benefited from the camp, receiving personalized consultations and preventive care tips. The initiative was well-received by both children and parents, creating a positive impact on community health. Vision Unlimited expresses heartfelt gratitude to Dr. Vasundhra and her team for their support.

GIRLS TRAINING

Vision Unlimited organized a Girls Circle health camp aimed at empowering young girls through awareness and care. A dedicated doctor from Manengo Asia Hospital, accompanied by her team, conducted comprehensive health check-ups and interactive awareness sessions focused on adolescent health, hygiene, and nutrition. Over 80 girls participated, gaining valuable knowledge on managing personal health and well-being. The team also provided free consultations and basic medicines. The session created a safe and supportive space for open discussions on physical and emotional health. The initiative was highly appreciated by both participants and parents, contributing positively to the holistic development of the girls.

Teachers' Workshops

We also conducted a transformative three-day capacity-building workshop for teachers, focusing on innovative pedagogy and child-centric learning. This included new TLMs enhanced training on activity-based learning, classroom management, and inclusive practices. The workshop empowered educators and students alike, integrating life skills and values like empathy, responsibility, and critical thinking—fostering confidence, collaboration, and a shared commitment to quality education..

It was also an important team building exercis, and our teachers are ready for an invigorating new academic year ahead!

MOTHERS DAY CELEBRATION

The children of Vision Unlimited After School Club joyfully celebrated Mother's Day with heartfelt performances, handmade cards, and songs dedicated to their mothers. The event honored the love and sacrifice of mothers, creating a warm, emotional atmosphere that brought smile

CELEBRATION OF EARTH DAY

Children of Vision Unlimited After School Club joyfully celebrated World Earth Day with enthusiasm and creativity. Activities included a nature walk, poster-making, and a planting session to promote environmental awareness. They shared eco-friendly tips and pledged to protect the planet. The event aimed to instill a sense of responsibility and love for nature. The young participants expressed their ideas through art and discussions, making the celebration both educational and inspiring for all involved.

EID CELEBRATION

Children at Vision Unlimited After School Club joyfully celebrated Eid with vibrant decorations, traditional sweets, and cultural performances. They shared the significance of the festival through songs and stories, promoting unity and respect. The event fostered a spirit of togetherness, making the celebration both educational and memorable for all.

PTM

The monthly parents-teacher meeting took place, fostering collaboration and discussion on student progress. Parents and teachers discussed academic performance and social behavior improvements. The PTM was a resounding success, leaving parents encouraged and motivated to play a more active role in their child's educational journey. Vision Unlimited remains committed to nurturing students' potential and building a strong partnership with parents to ensure their children's success in all spheres of life.

NEXT STEPS

We continue doing what we are doing, and hope to bring more children into the educational mainstream.

Our efforts for their holistic development remains on course.
